Vol.6

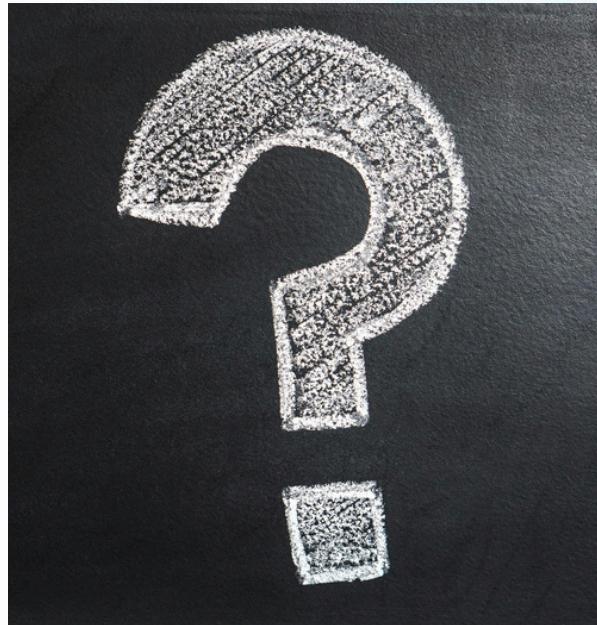

Bike of the week:

## 2018 KTM 1090 ADVENTURE

For sale is an exceptionally well-maintained KTM 1090 Adventure R, a true beast built for epic journeys, with 40,981 miles of adventure under its belt, including multiple trips to Mexico and across the US. This bike has been meticulously cared for, with religious oil changes and a host of high-quality upgrades. It features nearly new MOTOZ Rallz tires, a fresh chain, and both front and rear sprockets replaced within the last year.

### CUTTING THROUGH THE NOISE AND KNOWING WHICH ADVICE TO TRUST

If you've spent any time hanging out at a bike night, scrolling forums, deep-diving YouTube, or lurking in Facebook groups, you've already seen it, **every rider's an expert.**

### SERVICE HIGHLIGHT: DIAGNOSTIC

Is your bike making odd noises or struggling to run smoothly? Whether it's sputtering, refusing to start, or riding rough, we're here to help. Schedule a diagnostic today and let our expert team get your ride back in top shape. We work on all years, makes, and models—no job's too big or small. Book now and ride with confidence.

#### BLOG
